

Security Ministry

MCARTHUR CHURCH SECURITY MINISTRY

Most of us can remember a time when our churches were a sanctuary from the problems of the world. Churches were off limits to criminal activity. Unfortunately those days are gone. With church violence on the rise there is a growing need for security. The McArthur Security Team is committed to providing a safe environment for worship. McArthur Security is the first church security force in Arkansas to become state certified through the Arkansas Board of Private Investigators and Private Security Agencies. This means we are held to a greater standard of professionalism than any other church in the state.

We are more than just security however. We are a ministry. We currently provide women's self awareness which is free to our security team members and their family.

Some of our future goals include:

- * A Bible Study group for Law Enforcement, First Responders, Nursing and others who work in a high stress environment.
- * We are currently partnering with Men's Ministry and hope to create a mentorship program for teenagers.
- * Concealed handgun classes are also on the way.

If you are interested in becoming a part of our team and protecting our church family contact Security Directors Rodney Ford or Steve Lopez for more information. We can be reached through the church office at 501-982-1136.
