

TBQ

TEEN BIBLE QUIZ (TBQ) 6 – 12th grade

TBQ is about the discipling of young people through the memorization and application of God's Word, and the teaching and development of Christ-like characteristics. Bible Quiz uses team competition to help students learn a book or books of the Bible over the school year. We start our quiz year in late summer. Area meets are held about once a month on Saturdays. Students participate in team competitions with other churches in Arkansas and occasionally travel outside the state. TBQ is open to every teenager in the 7th - 12th Grades. Participation in the program requires a substantial commitment with everlasting rewards. Team practice is held at least once a week with the time and place to be announced.
